

# Engaging in Long-Term Volunteer Opportunities in Orléans

## The city

Orléans is a nice medieval city, located on the banks of the Loire river. The nature is really beautiful around, and there are many historical castles to visit in the Region. Paris is 1h30 away by train.

## The volunteer's house

50 Rue du Bourdon Blanc, 45000 Orléans

The volunteers will be hosted in a big flat with other international and local volunteers. The kitchen, livingroom and bathrooms are shared. There live 8 people in the flat.

The appartement is right in the city center, 30 minutes walking from the association's headquarters, 15 minutes by bus.

## Volunteer's missions

Compagnons Bâtisseurs Centre-Val de Loire expect the volunteer to :

- Participate in self-help renovation with inhabitants and a Compagnons Bâtisseurs's technical adviser (repair work, home improvement, cleaning, painting, floor laying, ...)

- Help inhabitants to appropriate their homes, and sharing some friendly time

- Involve in the associative life of Compagnons Bâtisseurs locally and nationally

- Elaborate with the team some collective projects to fight against substandard housing
