# Volunteering in Marseille with Culture du Coeur!

# Individual volunteering with the ESC

ESC = European Solidarity Corps

## What is individual volunteering?

Most opportunities through the European Solidarity Corps are cross-border volunteering activities. These projects are an excellent opportunity to help where needed, learn new skills, spend time abroad, maybe learn a language – and definitely come back with unforgettable memories.

Individual volunteering allows you to contribute to the daily work of an organisation that is actively benefiting the local community.

Check the European Solidarity Corps [website](#) for more details!
