

Intergenerational and Volunteer Center TOTEM in Plzeň (Pilsen), Czech Republic

is looking for a **Spanish volunteer**

Dates: **September 2026 - August 2027**

YES! For Intergenerational Dialogue

Working activities:

In a teamwork with TOTEM employees, the volunteers will plan and carry out activities targeting the group of active seniors. On their own they will lead educational conversation classes of their native language or other spoken languages, and as well, within the working range of TOTEM, projects of their individual interests. The volunteers can actively participate in any educational, cultural or physical activity, as well in community clubs and various workshops in TOTEM and contribute something on their own correlating with core ideas of the organization. The organization provides cooperation in other multigenerational projects and involvement in various institutions focused on other target groups – e.g. work with children, young people.
