If you are interested in joining our team and taking part in Voluntary Service fill in this online application.

Przystań Śmidowicza 49 is a part of the network of Neighbourhood Centres in Gdynia – spaces for the local inhabitants where they can invent and implement their ideas, exchange passions with others and integrate. These are places of developing ideas, broadening interests, establishing new friendships, tightening bonds and intergenerational integration. Anyone willing can lead classes, take part in meetings organized by neighbours or simply drop by for coffee or tea. Przystań is a place fuelled with the creativity and commitment of the residents - that is why in the neighbourhood centres, among others, are organized: sports activities, tailoring, culinary activities, meetings with travellers, neighbourhood parents' clubs chats, and even board games or karaoke tournaments. We take care of a friendly atmosphere and a welcoming attitude towards neighbourly integration. Everyone is welcome here and we all treat each other with respect.

application form

YOUR MAIN RESPONSABILITIES WILL BE:

Volunteer will work as an assistant/help to animator, whose task it to build up and support local community development and networking between city representatives, ngo's, local activists and inhabitants. S/he will also be able to ru activities on his/her own aiming at social animation in the local district. Activity proposals for the future volunteer in Neighbourhood Centre in Przystań Śmidowicza 49:

- organization meetings on intercultural topics;
- supporting intergenerational meeting, its organisation and taking part in them;
- creating simple graphics for social media, taking photos and making short vide materials
- taking care of Neighbourhood Swap Points;
- helping in social garden, co-running it and social animation around it.

YOUR WORKING SCHEDULE:

„Przystań" works mainly in the afternoons these are the moment, when they can develop their after-school passions. Therefore you will work mainly between 12 and 20 o'clock weekdays. The detailed schedule will be decided with the volunteer, according to actual needs and ideas of the voluntee

YOUR BENEFITS OF VOLUNTEERING

- you will be cooperating with professional team in experienced governmental organization
- you will will interact with people from different countries and build plenty of new professional and non-formal relations
- you will develop your teamwork and communication skills
- you will develop attitudes of openness and sensitivity to the needs of others
- you will be able to develop your organizational skills when creating your events
- you will receive valuable work experience in area of project management, youth work and media and promotion
- you will help us to build an international civic society and promote values such as solidarity, tolerance and equality

Who can apply?

We search for a volunteer who is empathetic, ready to act, open for a new experience and for the people in different ages, ready to learn and to grow. We are open for young people ready to share their passions and interests with others. Additional advantage would be an experience in work with or for the local society, teamwork skills and time management.

Project is funded by the European Solidarity Corps programme of the European Union.
